Prayer is dynamic! It is much more than making a few requests and hoping for the best. It is much more than we think!

Here is a profound truth: *In prayer, we have been called into partnership with the God of Creation!*

What happens when God's people pray? Things happen! Beginning on **September 10th**, the Renovatus community will not simply engage in a Bible study on prayer. On the contrary. We will engage in what we were made for: **intimacy with God!**

Community News, Needs and Prayer Support

- **From Liz and Jason:** The adoption agency asked for a continuance, so we go back to Seattle in 2 more weeks. September 6th. Our attorney has a lot of motions he has to file before then, so please keep him in your prayers too. We are hoping to go before the judge that granted custody to the adoption agency, as he is the best one to overturn that.
- Continued prayers for those dealing with ongoing health concerns.
 - **The Powell family** - Ken & Dody Burke's son-in-law, has been diagnosed with lung cancer, and we can help them with finances by looking at his GoFundMe site (<https://www.gofundme.com/2eeq9po>).
 - **The MacDougalls** (Carrie's nephew) as more tumors were found and chemo treatments were stopped.
 - **The Oxley family**- continued healing.
- **Employment / Financial opportunities** needs for several of our community.
- Transition to **'back to school'** time for the families and protecting coverings over the kids.
- The moving process for Renovatus.
